N. F. A. SUPPLIES

The delegates at the 1947 National F.F.A. Convention authorized the establishment of a Future Farmers Supply Service at the National F.F.A. camp. We are pleased to report that the Supply Service is now selling many official items to the New Farmers of America. Other official items will be added in the future.

This is your Supply Service. The net profits earned by it from N.F.A. orders will be given to the N.F.A. or be used to promote the best interests of the N.F.A.

To facilitate delivery, please use left side of order blank for jackets only, and right side for other merchandise. Please order from the Supply Service only items listed on this folder.

A money order *must* accompany your order. No checks or C.O.D. orders will be accepted.
