

HomeAg North Carolina Agricultural Education/FFA Program

How to Start HomeAg

Step 1

Read the HomeAg information documents.

Step 2

Determine the course you would like to teach. See page 3 in your information packet.

Step 3

Complete and mail the registration form and dues included in this packet.

Step 4

Happy Teaching! Enjoy exploring the wonderful world of agricultural education. Remember, all teaching resources are available online for free!

Step 5

Contact the state Agricultural Education office if you have any questions.

Step 6

When you have finished the course, contact the state Agricultural Education office for a certificate of completion.
