

# HomeAg North Carolina Agricultural Education/FFA Program

---

## How to Start HomeAg

### Step 1

Read the HomeAg information documents.

### Step 2

Determine the course you would like to teach.

### Step 3

Complete and mail the registration form and dues included in this packet.

### Step 4

Happy Teaching! Enjoy exploring the wonderful world of agricultural education. Remember, all teaching resources are available online for free!

### Step 5

Contact the state Agricultural Education office if you have any questions.
