RE: State FFA Dairy Evaluation CDE/State 4-H Dairy Judging Event

Date: January 21, 2020

The North Carolina Dairy Youth Foundation is looking forward to working with each of you at this year's combined FFA State Dairy Career Development Event and 4-H State Dairy Judging Contest to be held **Friday March 27, 2020** at the Winston-Salem Fairgrounds. This is your registration notification. Please review these materials carefully and respond appropriately to ensure your FFA chapter's or county 4-H team's eligibility for this CDE/contest. Individuals can dual participate in FFA and 4-H events. It is critical that I receive your registration information in a timely manner. The number of participants will impact event planning. **Therefore, please register for FFA through www.judgingcard.com on or before March 20th in order for your chapter to be eligible for this event. For 4-H registrations, please use the NC 4-H Dairy Youth Program website by March 20th.**

The North Carolina Dairy Youth Foundation along with other dairy industry organizations/businesses will sponsor this event, so **no registration fees for this event will be required (lunch will be provided).**

Registration/sign-in for chapters/county teams will be **7:30 am** until **8:45 am** on Friday morning. The event will begin promptly at 9:00 am. Please remember to bring pencils for your scan sheets. Advisors/Coaches are also strongly encouraged to assist their students with completing their information on the scan sheets. **We will make NO changes to the sheets after they are turned in to the event officials. Waivers are also required for all FFA participants** and will be collected at registration on the day of the event.

This year's FFA Dairy CDE will have a Middle Grades, Junior, and Senior Division. You may obtain detailed information at www.ncffa.org under "NC FFA" and "Career Development Events." The Junior Division is restricted to FFA team members from grades 6–10. The Middle Grades Division is for students in grades 6-8.

This year's 4-H contest will have a Junior and Senior Division. Youth ages 9-13 as of January 1 of the current year may participate on the junior team. Youth ages 14-18 as of January 1 of the current year may participate on the senior team. The top 25 individuals of the senior contest will be invited to try-out for the 4-H State Dairy Judging Teams.

This year's event will consist of at least three breeds. All FFA and 4-H Divisions are required to place all classes of cows/heifers. The reasons classes will be identified the morning of the event. FFA will only give reasons on cow classes. 4-H reasons classes can be cow or heifer classes. Please note on the

rotational schedule that each class is based on a 15-minute time frame. Students will use Universal Form A to place classes. Oral reasons will be scored on the traditional cards located in your advisor packets. The contest officials/advisors will direct and assist with the rotational process. FFA Contestants are not allowed to use any notes other than their scan forms or oral reason cards while presenting oral reasons. 4-H Contestants are not allowed to use any notes, scan forms, or oral reason cards while presenting oral reasons.

	Classes	Reasons	Written Test
FFA Senior Division	8	2	✓
FFA Junior Division	8	1	
FFA Middle Division	8	1	
4-H Senior Division	8	2	
4-H Junior Division	8	1	

The placing of classes will be based upon the PDCA (Purebred Dairy Cattle Association) Scorecard. An example can be found at www.holsteinfoundation.org under "Educational Workbooks" and "Dairy Judging Workbook." There are many valuable resources in this workbook including oral reason guidelines. Another helpful source of video examples can be found through the University of Wisconsin Extension website (<http://fyi.uwex.edu/4hdairyjudgingvideos>).

The FFA written test multiple choice questions will be taken from the following references:

- The latest edition of Modern Livestock and Poultry Production by James Gillespie will be the major reference.
- Instructional Materials Services, Texas A&M University (8642A, 8647A, 8646E, 84-5)
- Any questions available through SchoolNet question banks.
- Cooperative Extension Service and Dairy Industry materials may also be utilized.

The 5 questions for the Dairy Herd Record Evaluation portion will be similar to the sample provided in the National FFA Career Development Event Handbook on pages 32 and 33.

Youth can participate in both FFA and 4-H contests, however both (two) registrations must be completed to be eligible for scoring purposes.
