Nominating Committee Application
Students and teachers interested in serving on the state officer nominating committee are required to submit an application. For 2022, the following regions will have **student** representation: East Central, Northeast, Southeast, and Southwest. For 2022, the following regions will have **teacher representation**: Northwest, South Central, West, and West Central. Original signatures are required on the application. Complete information along with both student and teacher applications are posted on the State Officer Candidate webpage.

Scholarships
All state scholarships are due April 7, 2022. Scholarship applications will be completed on theaet.com. Students may select any scholarship that they are eligible for in the application. They do not need to complete a separate application for each scholarship. Submission details can be found here.

WLC Scholarships
WLC Scholarship information and application can be found here. Applications should be completed and submitted to carmen_bracey@ncsu.edu by 5:00 pm on February 1, 2022. All applicants will be interviewed virtually in February 2022.

Submission
Applications are submitted to the state through The AET. In the chapter account, click on the "Reports" tab, then "FFA Awards Degree/Application Manager" in the "Reports and Submissions" box. Under the Student Finder box, click the "State Submissions Lists and Feedback" button. Here you can add the applications for your chapter by searching the version number or browsing your applications.
Applications must be submitted on the State Submission List.
