

Welcome

Welcome to the 93rd North Carolina FFA State Convention! We are excited to welcome members and advisors from across the state for three days of celebrating your accomplishments over the past year.

After these two trying years of seeing each other only through a computer screen, we look forward to being able to recognize all of our award and degree recipients in person. We are so proud of your endurance, strength, and resilience over these unprecedented times. Zip up those jackets and get ready for three full days of making new friends, learning new skills, and celebrating being back together.

There is plenty to do while at State Convention, so be sure to check out the career show, social, leadership workshops, and everything else convention has to offer and have a great time! Let's reignite our passion for agriculture and FFA!
