------------------------	------	--

\*Regions may send teams/participants to the State Event based on the following:

- Less than 10 teams/participants competing in the Regional Event; the top three teams/participants move on to the State Event.
- 10 to 13 teams/participants competing in the Regional Event; the top four teams/participants move on to the State Event.
- 14 to 17 teams/participants competing in the Regional Event; the top five teams/participants move on to the State Event.
- 18 or more teams/participants competing in the Regional Event; the top six teams/participants move on to the State Event.

Each federation/region has the option to establish their own guidelines for their level of participation. Federation guidelines must match the regional guidelines. Federations cannot establish participation levels higher than their regional participation guidelines
