To partners and supporters of NC FFA:

The 2023 year marks a celebration like no other! Members from across the state celebrate 95 years of FFA in North Carolina and membership numbers greater than any year since 1972.

On June 27-29, 2023 over 3,000 FFA members, teachers, and guests will converge upon the Raleigh Convention Center, located in downtown Raleigh for the 2023 North Carolina FFA State Convention. Each year, members of the North Carolina FFA Association travel to Raleigh to compete in career development events, leadership sessions, and personal development workshops. One of the highlights of the convention is the North Carolina FFA Agricultural Career Show and Expo.

The career show and expo will introduce students to options available to them after high school graduation and is a great opportunity for teachers to get fundraising and resource ideas. Students can begin to create goals by meeting exhibitors and asking questions. The career show and expo will be filled with colleges, universities, agricultural-related businesses and organizations. This year's career show and expo promises to be the most anticipated show ever held at the North Carolina FFA State Convention.

Please review the enclosed information and complete the contract [form](#) by May 15, 2023. By participating, you have the potential to reach over 3,000 FFA members and advisors all over the state of North Carolina.

I look forward to seeing you at convention. If you have any questions please feel free to contact me.

Sincerely,

Carmen Bracey
North Carolina FFA Association
