FFA Chapter Participates in State Agriculture Education Event

Raleigh, NC – The _____ FFA Chapter participated in the North Carolina FFA Association Agriculture Education Career Development Event virtually in Spring of 2024.

_____ competed in this event. Their FFA advisor is _____.

Prior to participating in the state event, the individual researched and developed a lesson plan for an agricultural education class. The individual then presented their lesson plan to an agriculture education class. Lastly, the individual wrote a reflection about their lesson plan and the lesson they presented. The FFA members were evaluated on multiple components of their lesson plan, their teaching performance, and their reflection. The top 5 participants based on their submitted lesson plan, lesson video, and reflection were invited to a zoom to answer real-life scenario questions related to agricultural education.

The highest-scoring individual in the state event is eligible to compete in the National FFA event at the National FFA Convention in October. The top three teams will be recognized during the North Carolina FFA State Convention in Raleigh on June 25-27, 2024.

This event is one of 43 different career development events offered to North Carolina FFA members on the state level.

North Carolina FFA is a youth organization of 36,624 student members preparing for leadership and careers in the science, business, and technology of agriculture with 364 local chapters across the state. FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education.
