## FFA Chapter Participates in State FFA Dairy Evaluation Event

**Raleigh, NC** – The \_\_\_\_\_ participated in the 2024 North Carolina FFA State Dairy Evaluation Career Development Event on April 5, 2024 in Winston-Salem, North Carolina. Team members include \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_. Their FFA Advisor is \_\_\_\_\_.

At the state event, participants are scored based on how well they apply dairy cattle evaluation skills learned in the classroom. Each team evaluates classes of dairy cattle and defends the reasoning behind their evaluations to a panel of judges. Completing these activities successfully requires a good understanding of both animal science and herd management skills.

This division encourages younger FFA Members in grades 6-10 to compete against their peers while learning more about the senior division event. The top three teams and high scoring individual will be recognized during the North Carolina FFA State Convention in Raleigh on June 25-27, 2024.

North Carolina FFA is a youth organization of 32,597 student members preparing for leadership and careers in the science, business, and technology of agriculture with 355 local chapters across the state. FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education.
