

North Carolina FFA Association

Application and Procedure for National FFA Convention Delegate

Background Information: National FFA Convention Delegates represent the State Association as voting members during business sessions of the convention and also serve as committee members during the convention. Our delegates consist of the NC FFA State Officers and approximately seven additional delegates; the number to be determined by the final State FFA membership. Convention delegates must be available for service the entire week of the National FFA Convention (Sunday through Sunday) and also for a delegate orientation meeting. The NC FFA Association will cover convention- related expenses for delegates (travel, lodging, and convention registration fee). Applicants will be interviewed by a National FFA Delegate selection committee at the annual state FFA convention.

Minimum Requirements: Applicant must be an active FFA member and either a junior or senior in high school at the time of selection and service; one non-officer delegate who is a high school graduate may be selected. **The FFA Board of Directors has directed that FFA chapters send only one application for National Convention Delegate and a member can only serve as a National Delegate once, excluding a term of service as a state officer.**
