

GIVE THE GIFT OF BLUE

Do you know a student who would make a great FFA leader, but doesn't have an FFA Jacket?
We want to help.

The University of Mount Olive is starting a special initiative to provide an Official FFA Jacket to deserving North Carolina FFA members.

Applications and additional information will be sent to North Carolina FFA Advisors via the NCCFA ListServe and through other social media channels.

All Applications are due by May 1, 2019.

Official FFA Jackets will be presented to recipients during the 2019 NC FFA State Convention.

A special thanks to the local Farm Bureau Federations across the state who helped in supporting this initiative.
