Eligibility and General Guidelines

This event is open to all FFA chapters and FFA members in good standing. FFA Members may not participate in a Career Development Event that leads to a state level event after July 1, following their high school/early college graduation. Chapters may have one team designated to participate in the senior division. Members winning a previous state event in this area or that have participated in a previous national event in this area are ineligible.

Teams shall consist of three or four members. Four scores will count towards the team total (A three-member team will earn a zero for the 4th score). No alternates are allowed in state events. Any alternate found participating in a state event will result in total team disqualification.

The use or possession of cellular phones, Personal Digital Assistants (PDAs) or any other mobile

electronic communication device is prohibited during any state-level career development event. Any violation of this rule by any team member will result in total team disqualification.

Any member found cheating in any state-level career development event will result in total team disqualification for that event.

Procedure for Determining the State Event Winner When Scores are Tied

1. Compare the scores of the fourth member of the team. Teams with only three members do not have an alternate to compare and lose by virtue of the fact that they have no fourth score. Teams with only three members lose by default.
2. If a tie still remains, they will be broken by the total team score (alternate excluded) on classes in the following order: Oral Reasons; Halter Classes One, Two, Three; Performance Classes One, Two, and Three.

Procedure for Determining the State Event Winner When Scores are Tied for Individual Participants

Ties in scores between individuals will be broken by comparing the scores on classes in the following order: Oral Reasons; Halter Classes One, Two, Three; Performance Classes One, Two, and Three.

State Awards

The awards for the state event will be presented annually at the state FFA convention to include a team 1st, 2nd and 3rd place plaque and a travel monetary award. The high scoring individual will receive a plaque.

National Career Development Event Participation

State winning teams advancing to the national career development event will be automatically registered for the national event. It is the responsibility of the FFA Chapter Advisor to complete all necessary national certification and waiver forms and return them to the state FFA Coordinator by the assigned due date.

State winning CDE teams that choose not to participate at the national level should contact the state office by Sept. 1 prior to national convention. Teams that fail to inform the state office prior to Sept. 1 will be ineligible to participate in that same CDE for the next year (chapters may appeal to the State FFA Board of Directors). Teams that do not

compete at the National Convention will be required to pay back the travel award.
