

June Monthly Alumni Spotlight -Pitt County FFA Alumni & Supporters

The Pitt County FFA Alumni Association was founded in the mid 1980's and is a county wide alumni association that currently supports four high school FFA chapters and one middle school FFA chapter. The alumni association has an average membership of 100 members. They operate with an executive board that includes an ag teacher position appointed by the current ag teachers in the county to represent chapter interests.

The major fundraiser of the chapter is the annual Edgar L Boyd Memorial Golf Tournament named after a former tremendous supporter of Pitt County FFA and Agriculture Education. With these funds the Pitt County FFA Alumni Association covers all chapter affiliate dues so that membership is not a barrier to FFA participation for any agriculture education student enrolled in a Pitt County Schools agriculture education class. Additionally the alumni association assists with funding conventions, camps and leadership conferences for chapter members. They also award scholarships to students that are enrolling as agriculture majors in college. Outside of financial support, the alumni members serve as guest speakers, industry experts and field trip hosts for FFA chapters across the county.
