### **Eligibility**

This event is open to all Middle Grades FFA chapters (6th – 8th grades) and Middle Grades FFA members in good standing. The event will be open only to students who are active FFA members and who are currently enrolled in agricultural education. Each participant manuscript must be the result of the student's own efforts. Members winning a previous state event in this area are ineligible.

Please direct accommodation requests to: Carmen Bracey at carmen\_bracey@ncsu.edu. Requests can be served more effectively if notice is provided at least 10 days before the event.

### **Dress Code**

Participants are required to follow the North Carolina FFA Career Development Event Dress Code. Official dress for an FFA member includes: an official FFA jacket zipped to the top, black slacks and black socks/nylons or black skirt and black nylons, white collared blouse or white collared shirt, official FFA tie or official FFA scarf, black dress shoes with closed heel and toe.

The North Carolina FFA Association strives to promote a positive image at all Official FFA Events. The dress code policy was established to address the issue of appropriate attire at all Official FFA Events. Members should adhere to this policy for all events. A ten percent reduction will be applied to all individual scores from a chapter if a participant from that chapter violates the dress code during that career event.

## **Procedures for Administering the Event**

Each participant's manuscript must be the result of the student's own efforts.

Participants must submit four copies of their speech for state competition. Speeches should be double-spaced typewritten copies on 8 ½" x 11" white paper with a cover page that gives the speech title, participant's name, chapter, state and date. The body of the manuscript will have 1" margins, and 10-12 characters per inch. Follow APA style manual for developing references and bibliography. Do not bind, but place a staple in the upper left corner. Manuscripts not meeting these guidelines will be penalized.

Participants must complete an accurate and complete bibliography used in writing the speech (following National FFA Career Development Event Rules for Prepared Public Speaking).

The participant may take advantage of all available training facilities and personnel in their local school and community in developing their speaking ability.

Facts and working data may be obtained from any source.

Participants shall draw for places on the program.

Visual aids used in presenting the speech will be limited to inanimate objects small enough in size to be easily held in the participant's hand.

Subject – Participants may choose any current subject for their speeches which is of an agricultural character (nature), and which is related to agriculture and/or biotechnology. Official judges of Middle Grades FFA Prepared Public Speaking shall disqualify a participant if he or she speaks on a subject other than agriculture or biotechnology.

Time Limit – Each speech shall be a minimum of four minutes in length and a maximum of six minutes. Each contestant will be allowed three minutes additional time in which he/she will be asked questions relating to his/her speech. Participants are to be penalized one point per second on each judges' score sheet for being under four minutes or over six minutes. No time warnings will be given.

Method of Selecting a Winner – Three competent and impartial judges will be selected to judge the event. At least one of the judges should have an agricultural background. Judges will formulate and ask questions pertaining directly to the participant's speech (at all levels of competition). The full three minutes for questions should be used. Judges will score participants on the North Carolina Middle Grades Public Speaking rubric. Each judge will individually score and rank all contestants. The rankings of each judge will be given to the participant director who will compile rankings and determine winner(s) based on low score values. That is, a speaker ranked number one by a judge receives one point, or two points for a second place ranking, etc.

### **Procedure for Determining the State Event Winner When Scores are Tied**

In the case of a tie, there will be a tiebreaker question.

### **State Awards**

The awards for the state event will be presented annually at the conclusion of the NC FFA Middle School CDE Rally to include a team 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place plaque.
