

North Carolina FFA Association Dress Code Summary

The North Carolina FFA Association strives to promote a positive image at all Official FFA Events. The dress code policy was established to address the issue of appropriate attire at all Official FFA Events. Members should adhere to this policy for all events. A ten percent reduction will be applied to all individual scores from a chapter if a participant from that chapter violates the dress code during that career event.

The following is a summary of appropriate attire for North Carolina FFA Association Career Development Events. Participants may choose to wear official dress for those events that do not require official dress based on the event.

Career Development Event	Appropriate Attire

Official Dress

For Male/Female Members Include:

- Black slacks and black socks or black skirt and black nylons
- White collared blouse or white collared shirt
- Official FFA tie or official FFA scarf
- Black dress shoes with closed heel and toe
- An official FFA jacket zipped to the top.

Members are also asked to wear appropriate attire during camping programs, leadership conferences and camps, and other state events.

Members attending the summer camping program are to follow the camping program dress code. ***Undesirable messages or graphics on clothing or paraphernalia that are unbecoming of an FFA member are not acceptable to wear at camp. If it is questionable, do not wear it. Campers should wear an appropriate shirt and fastened shorts at all times unless they are on the pier or in the lake swimming at which time appropriate swimwear should be worn.***

Members are encouraged to wear FFA Official Dress during the North Carolina FFA Association State Convention. ***Members will NOT be allowed to go on the convention stage unless they are in FFA Official Dress.***
