Chapter Spotlight

Crest FFA Alumni Chapter

The Crest FFA Alumni Chapter was officially chartered in 2005 and has grown to include roughly 40 active members who are passionate about supporting the next generation of agricultural leaders.

Our alumni chapter plays an active role in assisting with numerous events throughout the year. We help organize and run the Blue Jacket Jam concert, a major community event that brings people together to celebrate and support agricultural education. In addition, we assist with the annual banquet, coordinating both the silent auction and the meal for attendees. During the fall, our members also help with the Haunted Barn event and volunteer at the livestock competitions at the annual Cleveland County Fair, providing hands-on support and encouragement to participating students.

When it comes to fundraising, the Blue Jacket Jam and silent auction are our two biggest annual efforts. These events have allowed the chapter to provide ongoing financial support for student opportunities. The alumni help fund travel expenses to competitions and conventions, cover food and activities for monthly chapter meetings, and provide additional financial support for student projects and leadership development activities.

What makes our chapter unique is the strong sense of community and teamwork that defines Crest FFA Alumni. Our members range from former FFA students and parents to community leaders and local business owners—all working together to make sure every student has the chance to experience what FFA has to offer. Whether it's flipping burgers at a fundraiser, lending a hand at the county fair, or cheering on students at a state competition, our alumni chapter is proud to stand behind Crest FFA every step of the way.
