

# Dairy Handlers CDE

## Purpose

The purpose of the Dairy Cattle Handlers Career Development Event is to recognize the contributions of the handlers in presenting each animal to its best advantage

## State Event Superintendent

The superintendent for this event is Mr. Andy VonCanon, Western Region Agricultural Education Coordinator, Mountain Horticulture Crops Research and Extension Center, 455 Research Drive, Mills River, NC 28759

Phone: 828-553-6296 Fax: 828-684-8715 Cell: 828-553-6296 Email: andy\_voncanon@ncsu.edu

## Eligibility and General Guidelines

This event is open to all FFA chapters and FFA members in good standing. FFA Members may not participate in a Career Development Event that leads to a state level event after July 1, following their high school/early college graduation. Members winning a previous state event in this area or that have participated in a previous national event in this area are ineligible.

Chapters are limited to one participant at the state event.

Members who are competing in the event must not have shown or handled the animals that are being used in the event at any time prior to the event. This would include preparation or fitting of the animals assigned. In addition, it is highly recommended that handlers should have prior experience in showing cattle or livestock.

**If a dairy handler cannot control his/her animal, this animal may have to be displayed by an alternate holder. The original handler SHALL NOT be given a different animal to display.**

The use or possession of cellular phones or any other mobile electronic communication device is prohibited during any state-level career development event. Any violation of this rule by any team member will result in total team disqualification.

Any member found cheating in any state-level career development event will result in total team disqualification for that event.

The North Carolina FFA Association, in keeping with the FFA mission and purposes, does not permit the use of tobacco products, e-cigarettes, vapes, or Juuls at any FFA facility or at any FFA activity.

In compliance with the Americans with Disabilities Act, North Carolina FFA will honor requests for reasonable accommodations made by individuals with disabilities. Please direct accommodation requests through the CDE/LDE Accommodation Request [Form](#). If the accommodation can be made for all and/or doesn't provide an unfair advantage, then every effort will be made to provide the accommodation. Requests can be accommodated more effectively if notice is provided at least 10 days before the event.

## **Middle School Participation**

Middle school students and teams may participate in any Career Development Event or Leadership Development Event. The top three middle school participants will be recognized.

## **Dress Code**

The North Carolina FFA Association strives to promote a positive image at all Official FFA Events. The dress code policy was established to address the issue of appropriate attire at all Official FFA Events. Members should adhere to this policy for all events. A ten percent reduction will be applied to all individual scores from a chapter if a participant from that chapter violates the dress code during that career event.

Participants are required to wear long pants, an appropriate shirt with a collar, an appropriate high school t-shirt, or an FFA t-shirt. Boots are required. Please dress appropriately for this activity.

## **Procedures for Administering the Event**

1. Contestants will register with the event official and/or ringmaster.
2. Contestants will draw for flight.
3. Contestants will draw for the order of showing for each flight.
4. Contestants will draw for the cow that they are going to show for each flight.
5. Contestants will lead their animal into the ring at the direction of the event official and/or ringmaster.
6. Contestants will follow the directions given by the event official and/or ringmaster.
7. Contestants excused from the ring will lead their animal out immediately.
8. Contestants selected to present a second animal will draw for the animal and order of presentation prior to presentation.

## **Procedure for Determining the State Event Winner**
