

# North Carolina FFA Association Nominating Committee Student Application

Students wishing to serve on the nominating committee must submit this application to the State FFA Advisor. Under the direction of the State FFA Advisor, the state staff will select the student members of the nominating committee.

Students who apply to serve on the nominating committee should meet the same qualifications as students running for state office except they are not required to physically have the state degree at the time of service on the nominating committee.

The four students that serve on the nominating committee will represent four different regions. The regional student representation will rotate annually.

**No FFA member serving on the state officer selection process after January 1, 2020, will be eligible to run for state FFA office.**
