

## **Truck Safety & Skills CDE**

### **Purpose**

The purpose of the Truck Driving Career Development Event is to encourage the safe and appropriate use of vehicles in an agricultural setting. The event challenges students to safely operate a pickup truck through a set course with accuracy.

### **Sponsor**

The truck driving event is sponsored by Southern Shows and Capital Chevrolet.

### **State Event Superintendent**

The superintendent for this event is Mr. Andy VonCanon, Western Region Agricultural Education Coordinator, Mountain Horticulture Crops Research and Extension Center, 455 Research Drive, Mills River, NC 28759 Phone: 828-553-6296 Fax: 828-684-8715 Cell: 828-553-6296. Email: andy\_voncanon@ncsu.edu

### **Eligibility**

The state event will be open to only one participant from each federation - the federation winner. The federation winner must be an active member; however, no previous state winner is eligible. Participants must be at least 16 years old and have a valid North Carolina Driver's License. FFA members may not participate in a Career Development Event that leads to a state level event after July 1, following their high school/early college graduation.

The use or possession of cellular phones or any other mobile electronic communication device is prohibited during any state-level career development event. Any violation of this rule will result in total disqualification.

Any member found cheating in any state-level career development event will result in total disqualification for that event.

The North Carolina FFA Association, in keeping with the FFA mission and purposes, does not permit the use of tobacco products, e-cigarettes, vapes, or Juuls at any FFA facility or at any FFA activity.

In compliance with the Americans with Disabilities Act, NC FFA will honor requests for reasonable accommodations made by individuals with disabilities. Please direct accommodation requests to: Carmen Bracey at carmen\_bracey@ncsu.edu. Requests can be served more effectively if notice is provided at least 10 days before the event.

## **Middle School Participation**

Middle school students and teams may participate in any Career Development Event or Leadership Development Event. The top three middle school participants will be recognized in each division of an event. Middle school participants should designate during registration.

## **Dress Code**

Participants are required to follow the North Carolina FFA Career Development Event Dress Code. Participants are allowed to wear long pants, an appropriate shirt with a collar or an appropriate high school or FFA t-shirt.

The North Carolina FFA Association strives to promote a positive image at all Official FFA Events. The dress code policy was established to address the issue of appropriate attire at all Official FFA Events. Members should adhere to this policy for all events. A ten percent reduction will be applied to all individual scores from a chapter if a participant from that chapter violates the dress code during that career event.

## **Procedures for Administering the Event**

Participants will be judged on their knowledge and demonstration of safety practices and skills in the operation of a pickup truck. The lowest score is the winner.

## **Scoring**

Participants will be scored on their performance using the North Carolina FFA Truck Driving Score Card. Performances will be timed and the time is calculated into the individual score. Participants start with a score of zero and points are given for each infraction earned. The participant's event time is calculated into the score as a deduction. The participant with the lowest score is considered the winner.

## **State Awards**

The awards for the state event will be presented annually at the state FFA convention to include a team 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place certificate. Trophies will be given on site at the conclusion of the event.
