NC FFA Camp Registration

The signup process will operate as a lottery-based system. Advisors will have 48 hours to submit their camp request online. After the 48-hour period, each entry will receive a randomly generated number to determine the order of registration.

Allowing advisors 48 hours to submit their request should result in fewer errors than the previous method of submitting requests as quickly as possible. The extended registration period also eliminates issues with scheduling conflicts and burdens placed on single teacher programs.

Waivers are required for all FFA members attending FFA Camp and State Leadership Conferences (SLC). The paper waiver is available [online](#). Please bring two copies of the completed waiver for each student to camp. The camp director will keep one copy and the advisor will keep one copy.

A \$100 deposit is required for all student FFA members. Deposits are non-refundable and non-transferable between chapters. Deposits are not required for advisors, chaperones, guests, or advisor's children that are not FFA members. We welcome early payment of deposits. The check will be returned if your request is not honored.

Final invoices will be sent to the advisor after check-in is complete at the NC FFA Center. Please do not bring any form of payment with you to the NC FFA Center. A single check should be mailed to the state office for the total invoice balance.
