Eligibility and General Guidelines

This event is open to all FFA chapters and FFA members in grades 6-10. Chapters may have one team designated to participate in the junior division. All FFA members in grades 6-10 are eligible to participate in any junior career development event regardless of past participation.

FFA members in good standing may also participate as individuals in this event. Teams shall consist of three or four members. The fourth lowest team member score is not considered except in the case of a tie. No alternates are allowed in state events. Any alternate found participating in a state event will result in team disqualification.

In order for this event to be recognized as a Middle School FFA Event there must be at least 3 teams participating.

The use or possession of cellular phones or any other mobile electronic communication device is prohibited during any state-level career development event. Any violation of this rule by any team member will result in total team disqualification. FFA members and advisors may not visit the site of the state career development event within seven days of the start of the event. Teams that violate this rule will be disqualified.

Any member found cheating in any state-level career development event will result in total team disqualification for that event.

In compliance with the Americans with Disabilities Act, North Carolina FFA will honor requests for reasonable accommodations made by individuals with disabilities. Please direct accommodation requests through the CDE/LDE Accommodation Request [Form](#). If the accommodation can be made for all and/or doesn't provide an unfair advantage, then every effort will be made to provide the accommodation. Requests can be accommodated more effectively if notice is provided at least 10 days before the event.

Middle School Participation

Middle school students and teams may participate in any Career Development Event or Leadership Development Event. The top three middle school participants will be recognized. Middle school participants should designate during registration.

Dress Code

Participants are required to follow the North Carolina FFA Career Development Event Dress Code. A ten percent reduction in the total team score will be taken if a participant violates the dress code. Participants are allowed to wear long pants, an appropriate shirt with a collar or an appropriate high school or FFA t-shirt.

The North Carolina FFA Association strives to promote a positive image at all Official FFA Events. The dress code policy was established to address the issue of appropriate attire at all Official FFA Events. Members should adhere to this policy for all events. A ten percent reduction will be applied to all individual scores from a chapter if a participant from that chapter violates the dress code during that career event.

Procedure for Determining the State Event Winner When Scores are Tied

1. Compare the scores of the fourth member of the team. Teams with only three members do not have an alternate to compare and lose by virtue of the fact that they have no fourth score. Teams with only three members lose by default.
2. If a tie still remains, they will be broken by the total team score (alternate excluded) on classes in the following order: Oral Reasons; Halter Classes One, Two, Three; Performance Classes One, Two, and Three.

Procedure for Determining the State Event Winner When Scores are Tied for individual participants

If there is a tie for high individual it will be broken by the individual score on classes in the following order: Oral Reasons; Halter Classes One, Two, Three; Performance Classes One, Two, and Three.

State Awards

The awards for the state event will be presented annually at the state FFA convention to include a team 1st, 2nd and 3rd place plaque. The high scoring individual will receive a plaque.
