

Kings Mountain FFA Alumni

The Kings Mountain FFA Alumni and Supporters chapter was founded in 2025 and has quickly gained momentum, growing to include 30 active members and 17 founding members dedicated to supporting agricultural education at Kings Mountain High School.

The alumni chapter plays a vital role in supporting the Kings Mountain FFA by providing students with hands-on learning opportunities, supporting Supervised Agricultural Experiences (SAEs) and offering scholarships.

The Chapter also hosts fundraisers, including cow patty bingo during the annual Kings Mountain FFA Fall Festival, to raise money while bringing the community together in support of agricultural education. In addition, alumni members create valuable experiential learning opportunities by allowing students to assist with community and agricultural events, helping them develop responsibility, leadership and workplace skills.

Many alumni members also provide students with opportunities to show livestock, allowing them to gain experience in animal care, showmanship and livestock handling. Additionally, some alumni members employ chapter members, helping students build work experience and establish connections within the agricultural industry.
